8L GRAVITY BAG

WATER FILTER SYSTEM

FOR BASE CAMP, LARGE GROUPS,
VAN & RV TRAVEL

WHY YOU'LL LOVE IT:

- The toughest gravity bag on the market to stand up to your adventures.
- Hangs from a tree or RV for quick hydration at base camp.
- Leak-proof cap included for easy water storage.
- Ideal for larger camping groups – only one person has to carry water for the group!

YOUR PURCHASE HAS IMPACT
1 PURCHASE = 1 YEAR
SAFE WATER FOR 1 CHILD

ENHANCED MICROFILTER PERFORMANCE

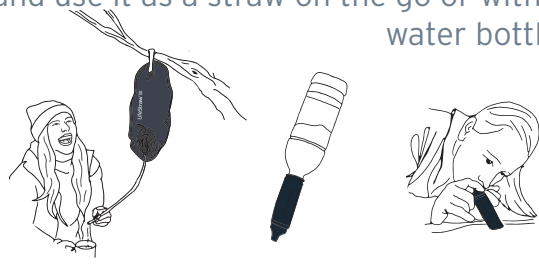

Our re-engineered membrane and custom backwash accessory means better performance against sand & silt to ensure a great flow over the long haul.

EXTREME DURABILITY

Constructed of durable 840 denier double TPU laminated nylon reinforced fabric, which is resistant to punctures & rips during your travels.

HIGHLY VERSATILE

Can remove the filter from the gravity bag and use it as a straw on the go or with a water bottle.

PROTECTS AGAINST:

- 99.999999% of bacteria
- 99.999% of parasites
- 99.999% of microplastics
- Silt, sand, and cloudiness greater than 0.2 micron

Membrane microfilter lasts up to 500 gal | 2,000 L
Pore size: 0.2 micron

Meets US EPA & NSF P231 standards for the removal of bacteria and parasites

Weight: 19 oz | 536 g
Size: 14 in x 23.5 in | 35.6 in x 59.7 cm
Hose length: 47 in | 1.2 m

The best in dromedary bags meet the best in filtration performance. This high-capacity, 8 liter system is made of high performance materials for long term durability. The large cap allows for easy filling, cleaning and leak-proof mobility. It has multiple carrying options, while also boasting a simple but enhanced filtration system designed to prevent clogging. It's the only system you'll need for you and the whole crew for as long as you're on your adventure.
